Forecast For The United Kingdom
Issued by Met Office Exeter
at 1500 on Wednesday 04 Aug 2021

UK Outlook for Thursday 19 Aug 2021 to Thursday 2 Sep 2021:
Although confidence is very low through this period, a continuation of changeable conditions is most likely. Some more settled weather may develop, particularly towards the north and northeast of the UK. Temperatures are likely to be above average, with the potential for hotter weather later in the month with rainfall most likely below average.
